

Kindergarten Newsletter

September 2, 2016

Star of the Week
Madison
Week of September 6th

Important Dates & Reminders

- Please do not keep weekly homework assignments in your child's take home folder for "safe" keeping. Return FINISHED work with child's name + number on the day it is due
- Please make sure transportation changes are written down and sent in their PURPLE folder. You are all doing a great job with this! Thank you!!!!
- Send in a HEALTHY snack daily and show your child where you put the snack in the book bag
- Return the SAS Wednesday folder on Thursdays (this is the red and white folder with advertisements)
- If your child is a car rider and you are running behind, children are taught to wait with a teacher on the step until the person who is picking your child up arrives. Please remind your child of this safety procedure ☺
- Check the website daily for a brief recap of our day.
- Regular mass attendance for kindergarten begins on November 1st for All Saints Day
- Reading pouches will begin on Monday, September 12th and will include the sight word ring with words already learned and one/two short books. Please read other books at home as well.
- Friendship Club begins Monday, September 12th: 1:30-2:00 for six weeks
- Scholastic Book Club Orders went home today. Please go online or send in the form by Friday, September 16th. If the books are a gift, please let me know and I will send home secretly
- The reality of being in school all day is sinking in. If children are a little more sleepy, cranky, etc...this is all normal! We are all adjusting to new places and transitions may take as long as Halloween! We will work together to make this experience a great one!

Reading/ELA

- Introduction of "Cass" who loves to cook with things that starts with 'c'
- Sound of c /k/
- Identifying and writing words that start with the "c"
- sight words yellow, is, in
