

2nd Grade Rocks!

September 2, 2016

We have had a wonderful week in second grade! The students are continuing to work hard everyday. They are continuing to adjust well to 2nd grade. Please make sure you are checking your child's STAR Binder nightly. This should come and go to school every day. All students received the September Homework Calendar this week. The assignments should be checked off as completed and the calendar should be turned in at the end of the month with a parent signature. This will count towards a homework grade for the month.

We had our first fact race this week! Everyone did a great job! A reminder for each week, that students will be given the fact race on Thursday, in which they have 50 problems to answer in 3 minutes. If they pass the first set of math facts, they will receive a piece of bubblegum and will move on to the next fact. If they miss more than 5 problems, they will have to retake the race the following week. They will have three chances to pass a set of facts, and after that they will just be moved on. Nightly practice of facts will be assigned for homework. Your child can practice using the sheet in the page protector or any other way they may enjoy (app, flashcards, computer games).

Please turn in any forms to the office if you have not done so yet. We will be beginning to prepare for First Reconciliation soon, so please make sure registration forms are in to the Religious Education Office. Please make sure you checking Progressbook weekly, as homework is posted for a reminder. Thank you for your support and help at home!

We hope you have a great Labor Day weekend! We look forward to another great week in second grade!

What is happening next week in second grade

Language Arts	Superkids Goodbye, Summer! Week 2
