

2nd Grade Rocks!

September 30, 2016

We have had a wonderful week in second grade! The students are continuing to work hard every day. We talked about the sacrament of Baptism and how we are welcomed into the family of God in Religion. We completed Superkids Unit 1 Week 2 in Reading. We learned what a citizen is in Social Studies. In science we learned about the tools scientists use for all parts of the scientific process. In math we explored strategies for subtraction.

As the month of October begins, students received information on the Book It Program we will be starting. This runs through March. Students are asked to read 15 minutes every night as their goal for the month. Please check off and sign the homework calendar to show they have completed this reading. At the end of the month, students who turn in a completed and SIGNED calendar and have shown they reached their goal of reading 15 minutes every day, will receive a certificate for Pizza Hut! This is a special treat for the students! Look for more information in the STAR binder folder regarding this program. Students also received information for the AR program. Please read over this letter and let us know if you have any questions. Finally, students received packets for the Pumpkin Book Project. This is a month long project that allows your child to read a book at their level and complete a fun project. Again, please read through the packet and let us know if you have any questions.

Please make sure you're checking Progressbook weekly, as homework is posted for a reminder. Thank you for your support and help at home!

Mark your calendar for the Rite of Enrollment for First Reconciliation on Sunday October 16. Join us for the 9:00, 10:30 or noon mass that day. Refreshments will follow in the Mother Teresa Room. This is a great time to come together as a family of God and lift our 2nd graders up in prayer!

It was great to see so many of you and other special people today! We hope you enjoyed time with us! We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade

Language Arts	Superkids Hit 2nd Grade! Week 3(Spelling Test Friday)
Math	Subtraction Strategies (Test Friday)
