

2nd Grade Rocks!

November 9, 2016

We have had a wonderful and very quick week in second grade! The students are continuing to work hard every day. We are reviewing the Act of Contrition and how the Sacrament of Reconciliation will go in preparation for First Reconciliation in Religion. We began Superkids Unit 2 Week 3 in Reading, starting to read Henry and Mudge and the Careful Cousin. They will have the spelling test on Thursday (only 12 memory words). We reviewed how citizens have the right to vote in Social Studies. In math we continued to learn strategies for mental math. In science we learned about animal needs.

Students should be taking one AR test each week for the 2nd quarter goal. Please make sure to write the title and author of the book on the log when your child is ready to take an AR test. Thank you for your help! If you wish to place a Scholastic Book Order, please do so by November 14. Books make great Christmas presents!

We enjoyed seeing many of you at Community Day and Open House last weekend! We look forward to seeing some at conferences tomorrow. Check out some of the great things happening in 2nd grade!

Mrs. Kinley will be completing a collaborative art project. She is asking for each student to bring in 3-4 bottle caps (*Preferably plastic water bottle caps). We will also be completing a school wide advent project, in which Mrs. Kadlec will be collecting empty toilet paper rolls. Please send any you have to her attention in Room 204 by Thursday, November 17. Thank you!

As we approach First Reconciliation, please be sure you are reviewing any of the materials you received for at home teaching. We are continuing to review and discuss any questions students may have in class. Please join us on Tuesday, November 15 for 8:15 am Mass. 2nd grade will be celebrating this together, and is a great time to come together in prayer before meeting Jesus in the Sacrament of Reconciliation.

We hope you have a great long weekend! We look forward to another great week in second grade!
