

2nd Grade Rocks!

December 16, 2016

We have had a wonderful week in second grade! The students are continuing to work hard every day. We have been putting together our Jesse tree with ornaments, learning about many important people from the Bible in Religion. It is a great countdown for the days of Advent! We finished Superkids Unit 3 Week 2 in Reading. In math we learned about telling time to the five minutes and quarter hours. We continued our travels for the Christmas Around the World Unit! We learned about the traditions of Ireland, Mexico, and Italy.

Our Christmas Concert was beautiful. It was very heartwarming to hear the students sing about the true joy of the season. Thank you to all who were able to join us for the night!

Look for the email sent out from the Room Moms about Tuesday's Christmas Party. Please sign up for items needed for the party or come and volunteer during the party time.

Please mark your calendars for January 8, 2017. It is hard to believe that Rite of Enrollment for First Eucharist is around the corner! We hope to see the students at either the 9:00, 10:30, or noon Mass that Sunday. It is a beautiful day for us to come together as a Church community and lift up the 2nd graders as they prepare to receive Jesus!

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade

Language Arts	Christmas Activities
Math	Time and Graphing
Social Studies	Christmas Around the World
Science	
Religion	Advent
