

2nd Grade Rocks!

December 2, 2016

We have had a wonderful week in second grade! The students are continuing to work hard every day. We are learning about the Church season of Advent and how we can be a light to peace this Advent in Religion. We finished Superkids Unit 2 Week 4 in Reading. They enjoyed reading Snowshoe Thompson. In math we began to learn addition with regrouping. In science we began a unit on forces and motion. We studied maps in Social Studies to prepare us for our Christmas Around the World travels! We decorated our trees outside of the school this week. Stop by this weekend to see them all lit up! We enjoyed a popsicle treat and visiting with the Dolan's in our Indians pep rally today!

If you wish to place a Scholastic Book Order, please do so by December 8. Books make great Christmas presents! Let us know if you have purchased books for a gift that you would like to pick up when they are delivered.

Please be sure to send in a wrapped shoe box for our Christmas Around the World Unit. They should be wrapped with Christmas paper and can be opened and closed. These are due MONDAY. Please look for email with some supplies that are needed for the unit. If you are able to send in any of the needed supplies, your generosity is greatly appreciated!

Christmas time is here! The giving tree will begin next week. Please send items from the list sent home for donation if you are able. Information was also sent home about the Santa Shop. Room 108 will be shopping on Thursday, December 8 from 1:30-2:00. Room 103 will be shopping on Friday, December 9 from 12:00-12:30.

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade

Language Arts	Superkids Unit 3 Week 1 (Spelling Test Friday)
