

January 20, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. We are continuing to study the Eucharist and The Bread of Life in Religion. We completed Superkids Unit 3 Week 4 in Reading. In math we continued learning strategies for subtraction with regrouping. In health we did lessons on animal and water safety. We began a treasure map project in Social Studies. Look for these at Catholic Schools Week Open House!

First Eucharist Parent Meetings have begun. Dates are listed below. Please attend one of the meetings. Contact Janet Mijka with any questions.

Students should be taking one Accelerated Reading test each week. The 3rd quarter is starting, and students will receive new levels on Monday. The school will be hosting a Book Fair next week, a great time to get some new books for your child to read! Mrs. Shreve's class will be going to the Book Fair on Monday from 10:00-10:50 and Mrs. Kubas' class will be going on Friday from 10:00-10:50.

We took the STAR Reading and Math Assessments this week. These test results will be sent home with report cards next Friday.

Please send in any donations for the Chemo Care Kits if you are able. Our Fruit of the Spirit for the month of January is Charity. This is a great way for us to come together as a school and help others in need!

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Superkids Unit 4 Week 1, Spelling Test Friday
Math	Subtraction with Regrouping (Test Wednesday)
Social Studies	Map Skills
