

2nd Grade Rocks!

February 17, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. We are continuing to study the Eucharist and Parts of the Mass in Religion. We finished Superkids Unit 4 Week 3 in Reading, enjoying the trade book Wagon Wheels. In math we started exploring numbers to 1,000. We began a biography research project in Social Studies. In science we continued learning about fossils and extinction. Students should be taking one Accelerated Reading test each week. If you are interested in placing a Scholastic Book Order, please do so by March 13, 2017.

We had a great St. Valentine Day Celebration this week! Thank you for all of the donations for the homeless care packages. The students enjoyed creating bags and cards full of messages of love for those in need.

As we move closer to the sacrament of First Eucharist, we are busy in class learning about the sacrament and parts of the Mass. This is such a great time for your child to see what they are learning. We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Please let us know if there are any questions you may have during these final months of preparation. It will be here before we know it!

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Superkids Unit 4 Week 4 (Spelling Test Tuesday, February 28)
