

2nd Grade Rocks!

February 10, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. We are continuing to study the Eucharist and Parts of the Mass in Religion. We finished Superkids Unit 4 Week 2 in Reading and took the MAP Reading test. In math we finished our geometry unit. We began to study important Americans remembered during Black History Month in Social Studies. In science we began learning about fossils and extinction. Students should be taking one Accelerated Reading test each week. If you are interested in placing a Scholastic Book Order, please do so by February 13, 2017.

The 2nd Grade Sunday Celebration is this Sunday, February 12 at the 9:00 Mass. We hope to see you there! Pews will be reserved up front for 2nd grade families and students. Students will be called up after Communion for our reflection song. What a great way to gather as a Family of God!

We had a great 100th Day Celebration this week! Thank you to all who joined us for the all school Mass on Tuesday. The 2nd grade did a wonderful job leading the celebration. We are also looking forward to celebrating Valentine's Day on Tuesday. Please send in donations for the homeless care packages and Valentine's for your child's homeroom for this day.

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Superkids Unit 4 Week 3 (Spelling Test Friday)
Math	Numbers to 1000
Social Studies	Black History Month
Science	Extinction and Fossils
