

## 2nd Grade Rocks!

March 17, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. As we move closer to the sacrament of First Eucharist, we are busy in class learning about the sacrament and parts of the Mass. This is such a great time for your child to see what they are learning. We continued learning about the season of Lent and the Eucharist in Religion. Please help your child follow the Lenten Calendar that was sent home at the start of Lent with things to focus on each day. We began Superkids Unit 5 Week 3 in Reading, enjoying the trade book Breakout in the Bug Lab. In math we continued our unit learning addition and subtraction with three digit numbers. We began our economics unit in Social Studies. In health we talked about teeth and good brushing habits! Students should be taking one Accelerated Reading test each week Friday will be the last day for the 3rd quarter.

We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Please let us know if there are any questions you may have during these final months of preparation. It will be here before we know it! First Eucharist banners are to be returned on Jesus Day, April 22. Please do not send them to school before then.

The School Auction and Gala is this Saturday, March 18. Thank you to all made donations to the 2nd Grade Basket. We hope to see you there for Everything RED! We hope you have a great weekend! We look forward to another great week in second grade!

*What is happening next week in second grade...*
