

2nd Grade Rocks!

March 3, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. We began learning about the season of Lent in Religion. Please help your child follow the Lenten Calendar that was sent home this week with things to focus on each day. We began Superkids Unit 5 Week 1 in Reading. In math we finished our unit exploring numbers to 1,000. We are finishing our biography bag research project in Social Studies. In science we continued learning about fossils and extinction and looked at the fossils we created! Students should be taking one Accelerated Reading test each week. If you are interested in placing a Scholastic Book Order, please do so by March 13, 2017.

We had a great morning celebrating Dr. Seuss' birthday yesterday! The students enjoyed reading their books while in their blankets and slippers! It was a great way to start the morning!

As we move closer to the sacrament of First Eucharist, we are busy in class learning about the sacrament and parts of the Mass. This is such a great time for your child to see what they are learning. We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Please let us know if there are any questions you may have during these final months of preparation. It will be here before we know it! First Eucharist banners are to be returned on Jesus Day. Please do not send them to school before then.

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Unit 5 Week 1(Spelling Test Wednesday), Unit 5 Week 2
Math	Adding and Subtracting 3-Digit Numbers
Social Studies	Black History Month
