

2nd Grade Rocks!

March 10, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. As we move closer to the sacrament of First Eucharist, we are busy in class learning about the sacrament and parts of the Mass. This is such a great time for your child to see what they are learning. We continued learning about the season of Lent with the Stations of the Cross in Religion. Please help your child follow the Lenten Calendar that was sent home at the start of Lent with things to focus on each day. We began Superkids Unit 5 Week 2 in Reading. In math we began our unit learning addition and subtraction with three digit numbers. We are presenting our biography bag research projects in Social Studies. In health we talked about teeth and good brushing habits.! Students should be taking one Accelerated Reading test each week. If you are interested in placing a Scholastic Book Order, please do so by March 13, 2017.

We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Please let us know if there are any questions you may have during these final months of preparation. It will be here before we know it! First Eucharist banners are to be returned on Jesus Day. Please do not send them to school before then.

Students are permitted to wear green on Friday for St. Patrick's Day on Friday, March 17! Students can wear school-appropriate St. Patrick's Day t-shirts or sweatshirts and/or green accents with school appropriate jeans, athletic pants or uniform bottoms and sneakers. Accents include: necklaces, socks, bracelets, ribbons, hats, green wigs. Face paint, tattoos or hair dye are not permitted. The School Auction and Gala is next weekend on Saturday, March 18. Thank you to all made donations to the 2nd Grade Basket. We hope to see you there for Everything RED! We hope you have a great weekend! We look forward to another great week in second grade!
