

2nd Grade Rocks!

March 24, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. As we move closer to the sacrament of First Eucharist, we are busy in class learning about the sacrament and parts of the Mass. This is such a great time for your child to see what they are learning. We continued learning about the season of Lent and the Eucharist in Religion. We finished Superkids Unit 5 Week 3 in Reading, enjoying the trade book Breakout in the Bug Lab. In math we began our unit on money. We continued our economics unit in Social Studies, learning about needs, wants, producers, and consumers. In health we talked about teeth and good brushing habits! We also had a visit from the Firefighter Phil Program and learned about fire safety. Please review the book your child brought home and talk about fire safety at your house.

We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Please let us know if there are any questions you may have during these final months of preparation. It will be here before we know it! First Eucharist banners are to be returned on Jesus Day, April 22. Please do not send them to school before then.

The School Auction and Gala was last weekend. It was a great night! Thank you to all made donations to the 2nd Grade Basket. Please remember to send in permission forms for the April 20th field trip to the Great Lakes Science Center. If you are interested in being a chaperone, please return the bottom portion of the letter sent home. These are due on Wednesday, April 5.

We hope you have a great spring break! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Unit 5 Week 4
Math	Counting coins and bills, adding and subtracting money
Social Studies	Economics
Science/Health	Weather
Religion	First Eucharist, Lent
