

2nd Grade Rocks!

April 13, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. As we move closer to the sacrament of First Eucharist, we are busy in class learning about the sacrament and parts of the Mass. This is such a great time for your child to see what they are learning. We continued learning about the season of Lent and the Eucharist in Religion. We began Superkids Unit 6 Week 1 in Reading. In math we continued our unit on money. We continued our economics unit in Social Studies, learning about natural, human, and capital resources. In science we put together a weather book that we will continue to use throughout the month. Holy Thursday was wonderful. The students enjoyed a variety of stations run by the eighth graders. In the classroom, we put ourselves in the place of the apostles at the Last Supper. The students are truly growing in their understanding of the Mass and the Eucharist. Please look for pictures of the day!

We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Please let us know if there are any questions you may have during the final month of preparation. It will be here before we know it! First Eucharist banners are to be returned on Jesus Day, April 22. Please do not send them to school.

Our field trip to the Great Lakes Science Center is Thursday April 20th. Students should wear their uniforms and have a packed brown bag lunch for this day.

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Unit 6 Week 1 (Spelling Test Thursday)
Math	Making change by counting up
