

2nd Grade Rocks!

April 28, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. As we move closer to the sacrament of First Eucharist, we are busy in class learning about the sacrament and parts of the Mass. This is such a great time for your child to see what they are learning. We continued learning about the parts of the Mass in Religion. We began Superkids Unit 6 Week 3 in Reading, starting the trade book Love and Roast Chicken. In math we learned how to count up to make change. We continued our economics unit in Social Studies, learning about banks and savings accounts. In science we continued to study weather vocabulary words. We celebrated Arbor Day today with the Brunswick Rotary and Ms. Marsha. Look for some pictures from our guest speaker! How special that our students are able to plant a tree and be part of this great day for our community! We are all called to be stewards for God's creations!

We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Jesus Day was a great success! Thank you to all who were able to come with their children and spend the day with us! We hope you had as much fun as we did! Family conversations are finishing up this weekend. Please let us know if there are any questions you may have during the final weeks of preparation.

May Child begins on Monday. If your child would like to bring in a Rosary to use during the month, they may. We have plastic Rosaries for all to use if they do not have one. This is a great 2nd Grade tradition to honor the Blessed Mother! Please mark on your calendar for another great tradition... MAY CROWNING! This will be held on May 16 at 1:15pm (for the school) and 7:00pm (for the parish with reception following). 2nd and 8th Grades will be leading the celebration for Mary. We hope to see you there!

The excitement is ALMOST here and we are just a few days from kicking off with our BOOSTERTHON TEAM the **"EVERYTHING RED FUN and COLOR RUN!"** Information will be sent home Monday, as this runs from May 1-May 10. Thank you for your support!

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Unit 6 Week 3 (Spelling Test Thursday)
Math	Making change by counting up (Test Tuesday) Measurement
Social Studies	Economics
Science/Health	Wind
