

## 2nd Grade Rocks!

May 26, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. It was such a great week to see your children so excited after receiving their First Eucharist or sharing their excitement to receive it soon! Even after your child receives First Communion, please continue to share with them how special it is each time they get to receive Jesus! We continued to celebrate Mary with our May Children leading us in a decade of the rosary each day. We began Superkids Unit 7 Week 2 in Reading, reading the trade book Jenny Archer, Author. We have been continuing to learn cursive letters in handwriting and will be taking our test on all of the lower case letters! In math we finished our measurement unit. Mrs. Kubas' class completed the MAP testing this week. Reports will be sent home with report cards at the end of the quarter.

Library books are due! Please be sure your child is returning any overdue books and paying fines as needed. The end of the year is approaching quickly! Please look for information for the end of the year party on June 5, 2017 from 11am-2pm. All Virtus trained adults are invited to help with a celebration of a great school year!

We also had a surprise Baby Shower for Mrs. Shreve! It was a great afternoon! Thank you to all who helped make the celebration of Baby Shreve a great one!

We hope you have a great weekend! We look forward to another great week in second grade!

*What is happening next week in second grade...*

Language Arts	Finish Unit 7 Week 2 (Spelling Test Thursday)
Math	Miscellaneous math fun
