

2nd Grade Rocks!

May 5, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. We are a week away from First Eucharist! We continued to learn about the parts of the Mass and celebrate Mary with our May Children leading us in a decade of the rosary each day. We began Superkids Unit 6 Week 4 in Reading, starting the trade book Pinky and Rex and the Bully. We have been continuing to learn cursive letters in handwriting. In math we began our measurement unit. We continued our economics unit in Social Studies, and will be getting ready to run our own city! In science we continued to study weather and wind. We had a great week with the start of the Booster-thon! Thank you to all who have registered and made pledges to help our school! The students are enjoying Jumpin' Johnny and Dunkin' Dwayne along with all of the prizes and rewards! We cannot wait for the fun run on Wednesday! Please see the email that was sent earlier today if you are able to volunteer.

We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Practice for First Eucharist is on Tuesday, May 16. Please be sure to note what time your child should attend if needed. Please let us know if you have any questions in the final week.

May Child began on Monday. If your child would like to bring in a Rosary to use during the month, they may. We have plastic Rosaries for all to use if they do not have one. This is a great 2nd Grade tradition to honor the Blessed Mother! Please mark on your calendar for another great tradition... MAY CROWNING! This will be held on May 16 at 1:15pm (for the school) and 7:00pm (for the parish with reception following). 2nd and 8th Grades will be leading the celebration for Mary. We hope to see you there! A letter came home today with details about the day.

The Sumdog State Competition began today and will run through May 11th. Please encourage your child to get on and join in the math fun! Over the next few weeks, we will be completing our end of the year STAR and MAP testing. Please encourage your child to do their best!

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Unit 6 Week 4 (Spelling Test Monday, May 15)
Math	Measurement
Social Studies	Economics
Science/Health	Wind
Religion	Parts of the Mass, Eucharist, Mary
