

2nd Grade Rocks!

May 12, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. We are a day away from First Eucharist! We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. Even after your child receives First Communion, please continue to share with them how special it is each time they get to receive Jesus! We continued to learn about the parts of the Mass and celebrate Mary with our May Children leading us in a decade of the rosary each day. We continued Superkids Unit 6 Week 4 in Reading, reading the trade book Pinky and Rex and the Bully. We have been continuing to learn cursive letters in handwriting. In math we continued our measurement unit, learning about measurements in inches, feet, yards, centimeters, and meters. We had a great week with the Booster-thon fun run! Thank you to all who made pledges to help our school! Money is being collected through May 18th! We also took the STAR Math and Reading tests this week.

MAY CROWNING is this week! This will be held on Tuesday, May 16 at 1:15pm (for the school) and 7:00pm (for the parish with reception following). 2nd and 8th Grades will be leading the celebration for Mary. We hope to see you there! We have been practicing our song to sing during the prayer service and cannot wait for you and other family and friends to join us!

We will be completing the MAP tests over the next few weeks. Mrs. Shreve's class will be taking them on May 18 and 19. Mrs. Kubas' class will be taking them on May 22 and 23. Please encourage your child to do their best!

The week of May 15-May 19 will be the last week to check out library books. Please be sure your child is returning any overdue books and paying fines as needed.

We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	Unit 6 Week 4, Unit 7 Week 1
