

2nd Grade Rocks!

June 2, 2017

We have had a wonderful week in second grade! The students are continuing to work hard every day. We hope you are able to join us at Mass each weekend to share in the celebration and share that with your child. It was such a great week to see your children so excited after receiving their First Eucharist or sharing their excitement to receive it soon! Even after your child receives First Communion, please continue to share with them how special it is each time they get to receive Jesus! It was awesome to join together with the school community on Tuesday and receive Jesus as part of the family of God! We finished the month of May with our last May Children this week. We finished Superkids Unit 7 Week 2 in Reading, reading the trade book Jenny Archer, Author. We finished learning the lowercase cursive letters in handwriting and will be able to write our names in cursive for the rest of the year! In math we had some fun doing tangrams, math connect four, and review centers. In health we learned about bicycle safety. Our Itty Bitty City was open for the first grade today in Social Studeis! They had a great time and our students ran all of their stores like pros! Look for pictures from the day

Our end of the year party on Monday June 5, 2017 from 11am-2pm. All Virtus trained adults are invited to help with a celebration of a great school year! Thank you to all who have signed up to send in donations for the day as well! We have a balloon countdown in class and the students are permitted to wear sunglasses on Monday! Our future's so bright, we have to wear shades! Field day is on Tuesday. Students in 2nd grade should wear their maroon Jesus Day shirts. Please be sure to send your child with a water bottle and sunscreen as needed. We will also be having a pizza lunch and shaved ice! Thank you PTU! Please join us for Mass on the last day of school at 1:00pm. We will be dismissing back to the classrooms to hand out report cards after class. Please be sure to send in any transportation notes as needed for the day. We hope you have a great weekend! We look forward to another great week in second grade!

What is happening next week in second grade...

Language Arts	End of the Year Wrap Up
Math	Miscellaneous Math Fun
Social Studies	We are all done for the year!
Health	We are all done for the year!
