

APPEARANCE AND UNIFORM POLICY

Our school uniform encourages students to focus on self-expression through the development of an individual's skills and talents not on self-expression through material goods. Neatness, cleanliness, and appropriateness in dress and appearance are conducive to a Catholic academic atmosphere and will be expected of all Saint Ambrose students at all times. Parents are the primary teachers of their children and are expected to teach their children the importance of personal hygiene and good grooming. Please check your child before he/she leaves for school, as adhering to the dress code is the responsibility of the parents and is a reflection of home training. Repeated non-compliance of dress code offenses could result in the student being asked to leave the school to find an environment better suited to his/her needs or philosophy.

'While dressed in the Saint Ambrose School uniform at school and in public places, all students' conduct, actions, and language will be consistent with the Catholic philosophy and values of Saint Ambrose School and the Saint Ambrose School Code of Conduct.
