## Welcome to Littlest Angels Preschool!

Thank you for your interest in Littlest Angels Preschool at Saint Ambrose! I would love to have you join our Littlest Angels family and I look forward to getting to know you and your little angel!

Our program, which is celebrating its tenth anniversary, strives to create an atmosphere of Christian love and concern which promotes the healthy development of each child. We provide learning experiences and play activities that encourage spiritual, intellectual, social and physical growth. Our children are embracing all that our program has to offer! It is wonderful to see them demonstrate cooperative behaviors such as helping, taking turns, sharing, comforting and compromising. They are coming to know that God gives us great gifts every day! We are all specially made and loved by God! We are on our way to becoming life-long learners and lovers of education! Our children are engaged in many programs including but not limited to literacy, math, music, science, social studies, art, religion and physical and motor development daily.

In our preschool, children participate in many prayer experiences. The Catholic preschool program fosters the awakening of the Christian conscience in the children by leading them to appreciate God's goodness, value God's world and the people in it, learn self-discipline, form good habits and share with those in need. The program engages children in activities that nurture kindness, honesty, forgiveness and concern for others. We have added a wonderful character development program called Bucket Filling which has been very meaningful and engaging for the children and families.

Our 5-Star Step Up to Quality Rated preschool offers unique and special, yet complimentary, programs. It is my hope that our two year old "Angels in Training", three year old class, four year old Pre K class or our five year old Pre K class will meet your preschool needs.

Teaching and caring for your children is a personal blessing. Our preschool is a ministry that we are privileged to serve. We will have many opportunities to come together before the beginning of the next school year. An acceptance letter will be mailed to you in the Spring with your child's class assignment confirming your child's placement in our program. This will be followed by another letter with future events, important dates and gatherings.

If you would like more information or have questions about our preschool I would be happy to answer any of your questions! Please contact me at 330-460-7361 or by e-mail at [cmitchell@StASchool.us](mailto:cmitchell@StASchool.us).

Blessings,

*Catherine Mitchell*
