STEAM After-School Programs

FOR STUDENTS IN GRADES 3-8

AMAZING ARCHITECTS

Join Classroom Antics for a fun, educational after-school experience and **learn what you love!**

Cost: \$225
Sibling Discount
Available

In the Amazing Architects Engineering After-School Program, kids learn what it means to be an Architectural Engineer. Through hands-on activities, students develop a city, build skyscrapers, model suspension bridges, and environmentally-friendly cars. Projects will model different structures, all the way from ancient Egyptian pyramids to modern houses.

DATES & LOCATION

After School Program Funding
Available Through Ohio's ACE Program
For Qualifying Families
