Meets and exceeds the standards for Kindergarten readiness.

The addition of the afternoon provides children a full day of learning as an extension of core morning curriculum.

5 Year Old Program
Monday-Friday
Morning 8am-10:30am
OR
Full Day 8am-2pm

An expansion of the developmental and age-appropriate curriculum to encompass Ohio Early Learning/Development Standards. This program is geared for children turning 5 in the summer, who would benefit from an additional year of preschool education before Kindergarten. Also provides an additional year of social-emotional preparedness which is critical to overall student growth and development.
